

# Max The Dog (The Grinch) Sandwiches

## Ingredients

- Brown bread
- Cheese spread
- Turkey or ham slices
- Pretzels
- Cherry tomatoes

1. Spread cream cheese onto the bread, but don't worry about the crusts as we won't be using them!

2. Place a slice of turkey or ham on the bread and sandwich another slice of bread on top to create a sandwich!

3. Using a cookie cutter (a large pint glass would also work), cut a circle out of the bread. You can even do smaller circles to make more sandwiches!

4. Cut the cherry tomatoes in half and place onto the sandwich circle, then break the pretzels in half and push them into the sandwich as antlers!

5. Keep the crusts to feed to the birds, its important to feed wildlife in winter as food sources are limited for them! Enjoy!
