Rosie's Ramblings

This summer is gearing up to be a wheelie good time! We're not just spinning our gears; we're kicking off with the latest edition of the Big Bike Revival programme. Dr. Bike is in the house, prescribing fresh air and fun on two wheels.

I'm thrilled to introduce Marie-Ann, the new powerhouse who'll be overseeing the Essex Pedal Power projects across Essex. She's the extra gear in our bike chain, ensuring we're all pedalling in harmony.

Mark your calendars for September 1st, where we'll be celebrating our 3rd anniversary with a treasure hunt that's more sought after than a puncture repair kit at the end of a long ride. In other exciting news we've been shortlisted for the LGC Awards. Will we pedal to victory? Stay tuned for the next newsletter or join our Facebook community group to find out!

Tour De Tendring

Tour De Tendring was a great success with many riders taking part in the ride on Sunday 19th May. Amongst the riders were some of the Essex Pedal Power volunteers and bike recipients from Clacton and Jaywick, Harwich and Dovercourt, and Colchester, who all completed their 20 and 60 mile rides.

Clacton and Jaywick Essex Pedal Power had a presence half way through the 60 mile route at the Kingscliff Hotel Car Park where bike maintenance support and snacks and refreshments for the riders were on offer.

Harwich and Dovercourt Essex Pedal Power showed their support at the start and finish line at Dovercourt Bay Lifestyles, where they supported the Essex Pedal Power riders and hosted a bike giveaway to Harwich residents, giving out their 500th bike!

Meet Marie-Ann!

I've lived in Clacton for 5 years with my partner. I love sea swimming and helped to establish Clacton Bluetits Chill Swimmers 3 years ago, as well as helping to set up Laughing Lobsters sea swimming group.

I am also Co-Chair of Tendring Coastal Community Group, which was set up to campaign for a space along the seafront for beach activities including cycling and swimming, as well as general community use. I am thrilled to now be part of the Essex Pedal Power community.
