

## Introducing The Daily Mile Destinations!

An exciting campaign for your school to undertake which promotes school-based physical activity whilst improving children's health and well-being.

Each time you complete the Daily Mile you move closer towards achieving a new destination sticker.

Once your class reaches 1 of the 15 destinations around the world, add the country's sticker to your class passport, and away you go, off to the next destination on the map!

To register your school to participate, click here:

[The Daily Mile | Active Essex](#)

# DAILY MILE DESTINATIONS

The first 50 schools to register will receive physical copies of the maps and passports!

Upload your school's engagement to social media to receive an achievement certificate!
