

Helping children and young people
GET ACTIVE | GET CREATIVE | GET COOKING

Thank you for choosing to endorse the Essex ActivAte programme!

Essex ActivAte is the name for the Holiday Activity and Food programme across Essex and Thurrock, run by Active Essex, Essex County Council and Thurrock Council, on behalf of the Department for Education. During school holidays, locally trusted organisations offer free, engaging activities, food education and nutritious meals to support children and young people's physical and mental wellbeing, as well as reduce holiday hunger. School aged children can be booked onto primary, secondary, specialist SEND, youth and mental wellbeing clubs.

Children and young people who are eligible for pupil premium or income-related free school meals can be booked onto free spaces at local activity clubs, although, clubs may offer discretionary paid places and paid for places, so there is something for everyone at an Essex ActivAte club!

We would welcome your support in sharing social content around this initiative (pre-written copy and images have been produced for you to utilise), as well as sample newsletter and website copy, helping to promote this opportunity to wider audiences. Alternatively, if you are able to download and share our poster across your facilities, together we can support parents, carers and families who need it the most.
